

02

BILGE & ENGINE DEGREASER

Description

- Resulting from the latest innovations in green chemistry, 02 combines efficiency and respect of the environment.
- Formulated with vegetable esters, 02 treats surfaces contaminated by oil and grease.
- Non-foaming, colorless and non-emulsifying, it dissolves and accelerates the degradation of the molecular chains of pollutants.

Product information

Composition	Vegetable
Appearance/ Odour	liquid / characteristic
pH	7 (≥6) (the product may become acid over time)
Density	1.01 +/- 0.03
Flash point	>70°C
Transport N° ONU	N.A
Storage	Protect from freezing; heat sources. Keep containers closed when not in use.
Packaging	1L / 5L

Directions for use

Compatibility / supports	Bilges, motors, mechanical parts
Méthodes	To clean bilges and engines, spray the product on pure or diluted 10-20% in water. Apply by spraying or with a brush. Leave for about 10 minutes before rinsing with clear water. In case of thick grease, it may be necessary to reinforce its action by brushing.

Precautions for use

- Before use: Always carry out a test on a small area.

**SAFETY DATA SHEET
AVAILABLE ON REQUEST**

Always refer to the descriptions on labels. Keep out of reach of children. Respect the conditions of use.
