

# 205SI

## HULL & DECK CLEANER

### Description

- 205 SI is a highly concentrated alkaline detergent.
- First born of the Clinazur brand in 1983, it ensures an efficient cleaning of painted surfaces, plastics, stainless steel, wood and metals without danger for the treated surfaces.
- It quickly removes the static film, dirt and salt deposits.
- Formulated without phosphates, its concentration allows regular use with a low dosage.
